"Health effects from exposure to asphalt fumes include headache, skin rash, sensitization, fatigue, reduced appetite, throat and eye irritation, cough, and skin cancer."

- Occupational Safety and Health Administration

Don't let your family, pets, or gardens come in contact with soil that is contaminated with hazardous asphalt, tar, or rubber coatings. Hulk Systems' coatings produce no harmful VOCs and effectively block the lime in your concrete from leaching into your soil making Hulk the clear choice for superior waterproofing.
